Health cont'd:

MEN'S MENTAL HEALTH SUPPORT GROUP

Adversity in life may be inevitable but suffering in silence does not have to be. This new support group aims to provide a safe space and a judgement-free environment for men to meet, open up, talk, and listen. We recognize that taking the first step is often the most difficult. Our group is designed to be free of pressure and there is no obligation to speak because, we believe, sometimes simply listening can help.

TRANSITIONING THROUGH MENOPAUSE SUPPORT GROUP

Approximately 50% of the world's population are women, and we spend one-third of our life in a space of menopause. The transition to menopause (called perimenopause), and the changes that occur are real and impact us all - in the body and the mind, with strong connections to hormones and how we think, feel and respond. This group provides a safe space to normalize and explore the physical and emotional changes you may be experiencing, and to help navigate the transition together, for what can also be an incredible time in a woman's life.

Thursday, February 19th
10.30am - 11.30am;
(Women in perimenopause or menopause)
